

GIVIT Charity Welcome

We would like to take this opportunity to introduce you to a unique FREE service which is available to all agencies, services and charities in Australia! GIVIT is a national not-for-profit connecting those who have with those who need, in a private and safe way. Our vision is to match generosity with genuine need; our purpose is to satisfy unmet need within the Australian community by inspiring and connecting an online network of givers - aiming to ensure every charity has what it needs through the simple act of giving.

A registered not-for-profit, GIVIT is a free service available to all agencies, services and charities in Australia working directly with impoverished, marginalised and vulnerable people. Through our website givit.org.au Australians are able to see exactly what items you require for your clients, and donate those directly to you. You can also request specific items via the GIVIT List which is sent to more than 9,000 potential donors each week.

Our aim is to make it easier for you to empower your clients and improve their quality of life by obtaining the items they require, online and at no cost.

GIVIT currently supports Australia's most trusted charities by sourcing quality urgently needed items direct from the public. These charities include domestic violence shelters, homelessness networks, child safety charities, youth at risk agencies and many others. Since it was established in 2009, GIVIT has facilitated the donation of hundreds of thousands of items from nail clippers to large electrical items and everything in between. Managed and staffed predominantly by skilled volunteers, GIVIT is non-denominational with no cultural, religious or political affiliations.

Above all, GIVIT aims to preserve the dignity and promote the well-being of recipients. GIVIT adheres to a strict Privacy Policy, ensuring the anonymity of the recipients is preserved.

Here are some reasons why you should register your service with GIVIT!
