

What is GIVIT?

GIVIT inspires generosity to meet real need. GIVIT connects donors with over 5,000 charities and organisations to get people and communities in hardship the essential goods and services they need, when they need them..

How GIVIT works

Person in need connects with local council, charity or organisation registered with GIVIT.

Partner organisation checks GIVIT.org.au for available donations or requests a specific item, voucher or service

The public or corporate donor browses what's needed and donates goods, funds or services via GIVIT.org.au

Partner organisation works with donor to get donation where it needs to go
